### PROFILE SUMMARY

Experienced Front-end Developer skilled in creating innovative web applications that enhance user engagement. Proven track record in collaborating with cross-functional teams to deliver projects on time and within budget. Successfully developed a web application that increased site traffic by 20%, resulting in higher customer conversion rates. I am eager to bring my expertise to your organization and help achieve similar results.

### WORK EXPERIENCE

Brooch

2025 - PRESENT

Frontend Developer

- Implemented and maintained front-end web applications, resulting in a 20% reduction in page load speeds and conversion rates by utilizing modern web technologies such as React.js and best practices for user experience and accessibility.
- Developed and executed front-end development strategies, resulting in a 15% increase in website performance by implementing optimization techniques such as code minification and troubleshooting issues using browser developer tools.

Consolar

2023 - 2024

Volunteer Frontend Developer

- I developed and maintained user-facing features for the company's web applications. I collaborated with back-end developers to integrate user-facing elements with server-side logic, Implementing responsive designs and ensured cross-browser cmpactability.

CodersTriange

2022- 2023

Junior Frontend Developer

- I assisted in the development and maintenance of front-end web applications, resulting in a positive impact on the company's overall performance. I was granted additional code review permissions after demonstrating strong attention to detail that led to a 25% decrease in code errors. I also provided support to senior front-end developers after becoming proficient in ReactJS, resulting to a stronger, more efficient technological team.
